Dear Stuart:

Your phone call was an enjoyable surprise. I apologize for being a little slow in understanding because we had just returned from Hong Kong and had not adjusted to the time change yet. We had a very enjoyable time in Hong Kong and in China.

The idea you have regarding C. B. Kern and Camp Kern is certainly a good and worthy undertaking which shows much thought. There are not very many Kerns left, but we are in favor of the Fund and give it our blessings. We would like to express our appreciation for all the work that you have done.

It will be an honor and a pleasure to serve on the advisory board, I appreciate your asking me, and I will do everything I can to make the Fund a success.

I have enclosed a copy of the letter that I mailed to The Governing Board of The Dayton Foundation.

Thank you:

George E. Kuhn
